CVR/IT Consulting To Provide Project Management Training Through Knowledge Source, Inc.

Training In Foundational and Advanced Project Management Available For Businesses And Project Management Professionals

CVR/IT Consulting LLC, a Raleigh/Durham, NC based Project Management Services provider, announced today that it will provide Project Management curriculum and training services through Knowledge Source, Inc., a Global Registered Education Provider (R.E.P.) for the Project Management Institute.   Knowledge Source, Inc. is a project management, professional development, and technology training company based in Raleigh, NC. Through this agreement, Knowledge Source, Inc. obtains the services of the highly sought speakers and Project Management trainers of CVR/IT Consulting. Dr. Gary J. Evans, owner and principal of CVR/IT Consulting, and his associates will offer training in project and portfolio management, project management office development, project leadership, organizational change and other vital business topics.

Mastery of Project Management techniques is fast becoming the most widely sought key to success in many top industries today. Dr. Evans, with over two decades of project management experience, has been helping businesses and business professionals achieve their project and professional goals through advanced project management training and consulting since 2002.

Project Management training services employing Dr. Evans' extensive curriculum are available to Knowledge Source Inc. clients starting in October, 2010.

About CVR/IT Consulting LLC
CVR/IT Consulting is a project services, training and staffing company located in Raleigh/Durham NC. The company provides formal professional consultation in all matters related to Project Management, including PMO Setup and Optimization, training, project practice assessment, organizational change management and Project Portfolio management. The principal, Dr. Gary Evans, is a certified Project Management Professional (PMP$^®$) and past officer of the North Carolina chapter of the Project Management Institute (www.ncpmi.org).

About Knowledge Source, Inc.
Knowledge Source Inc., provides a wide variety of classes including Project Management and Project Portfolio Management, end-user software training courses in Microsoft Office, Microsoft Project, Crystal Reports, and accounting software applications. Business skills courses include Presentation Skills, Time Management, Leadership, Creating Employee Buy-In, Diversity, and building Project Teams. In addition to an open enrollment schedule of classes, KSI offers custom courses for corporate clients and a web-based needs analysis for larger training efforts. KSI is a Registered Education Provider (R.E.P.®) for the Project Management Institute, and a registered sponsor for Continuing Professional Education (CPE) with the NC State Board of CPA Examiners. KSI classroom facilities are available for rental and can be custom-configured to meet specific client needs. The president, Kathy Caldwell, who founded KSI in 1994, has a 22-year proven track record of delivering quality training programs. Knowledge Source Inc. is located in Highwoods' Smoketree Tower at 3100 Smoketree Court, Raleigh, NC 27604
